

Want to come to the Having a Say Conference?

Do you need support to attend the Having a Say Conference (HaS)?

It is a good idea to talk to your service and/or family about what support you need to attend.

You may need funding in your NDIS Plan to pay staff to support you to travel and participate at HaS.

You can ask your NDIS Planner to fund the support you need to attend HaS. (e.g. transport, personal care, registration, assistance to participate, present or perform.)

Planners can fund support to attend Having a Say under 'camps' in NDIS Support Category 9: Innovative Social & Community Participation

Or

You may decide to use money from the Core Supports part of your NDIS Plan to pay for support to attend HaS.

Funding in your NDIS plan is possible because Having a Say supports you to:

- Build skills and self-confidence through participating, volunteering, presenting, performing and learning heaps!
- Be inspired by peers
- Learn about rights and responsibilities
- Gain information on what support is available in both the community and disability services

If you are not sure what to ask for, give this flyer to your NDIS planner or LAC (Local Area Coordinator). More info on HaS www.valid.org.au
