

Vision

By 2012, Victoria will be a much better at including everyone in the community and at giving all people the same rights, responsibilities and opportunities.

VICTORIAN STATE DISABILITY PLAN

Individual Lifestyles

People with disability having their choices about how they live their life, like what they do & where they go.

Building Inclusive Communities

To have a go & work with the community to make things open to all (accessible)

Goals

Leading the Way

To lead the change in our community by setting an example of empowering and including people with disability
