

VALID Family Team Workshops

Supporting Families to get a good life for their family member

Workshops for families

These workshops are delivered by parents in a user-friendly format either ONLINE or face to face in local areas. Workshops can either be **two hours** or if more in-depth training is required, a **four-hour workshop**.

- a. Understanding your NDIS Plan
- b. Preparing for Review – tips & developing a clear outline of your ideal NDIS plan
- c. Getting the Best out of your NDIS Plan
- d. Planning - developing your Person-Centred Plan
- e. Choosing the right NDIS funds management option(s)
- f. Understanding the NDIS funding - the Price Guide; flexibility; budgeting etc.
- g. How to get your Plan into action i.e. ‘Implementing your Plan’
- h. Learning how to ‘self-manage’ your NDIS package?

Note: These topics can also be delivered in a **four week course** format.

Key Presenters:

Each of the Family Team has worked in the disability sector for many years and have a family member with a disability who is funded as a participant of the NDIS. This combination of skills and knowledge provides the personal and professional perspective of working with the services and the NDIS to gain a good life for their family member.
