

Community Visitors job is:

Quality, Dignity and Respect

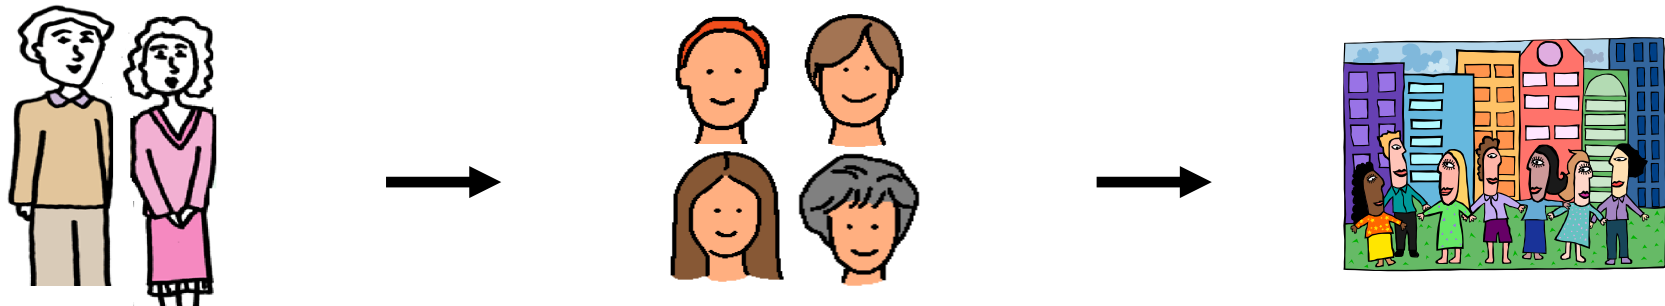

To talk to you about how you are treated in your home.

Decision making and Choice

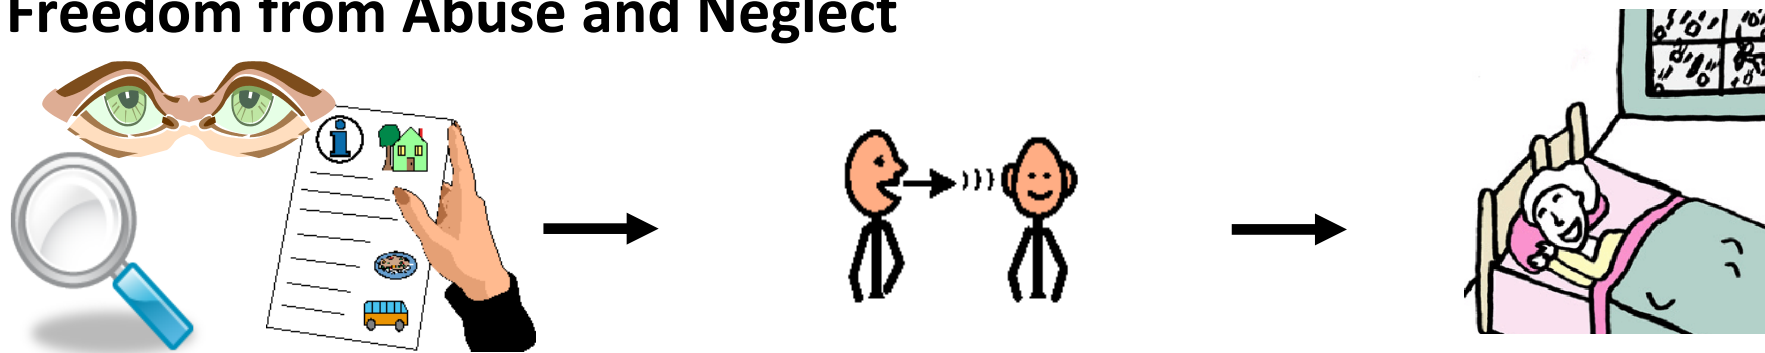

To talk to you about the things you do and the choices you make in your home.

Participation and Inclusion

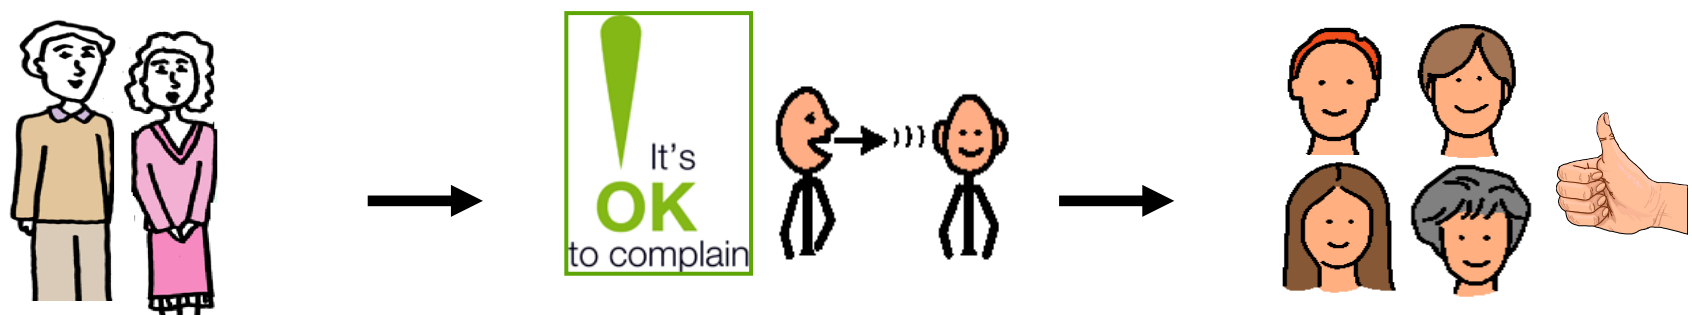

To talk to you about the things you do in the community.

Freedom from Abuse and Neglect

To look at and ask you about how safe you feel in your home.

It's OK to Complain

To make sure your complaints are listened to and something is done to make things better.

Are you being treated fairly?

You can talk to a **Community Visitor**. They can **help** you.
