

How can I get support from VALID?

Do you need help to have your say or sort out a problem?

Call 9416 4003 or
email intake@valid.org.au to talk
to an Advocate.

A meeting can be organised for
you to talk with a VALID Advocate.

You and the Advocate can then decide
if they can help you
or
the Advocate can help you find
someone who can help you better.
