

Coronavirus (Covid-19) November 2020

Victoria Roadmap - Step 3

Coronavirus (or COVID-19) is a new virus like the flu or a very bad cold.

Lots of people all over the world are getting Coronavirus.

It can make people very sick and some people who get Coronavirus might die.

You can get Coronavirus:

- from someone who has got it
- if you touch something they have touched.

How you can stay safe...

**Wash your hands
with soap and
water**

**Keep your
distance from
other people**

**Cover your mouth
when you
cough or sneeze**

The Government says...

The Victorian Government has made rules to help keep people safe and to **stop** them from getting Coronavirus.

Rules for your home:

You can leave your home any time.

You don't need a reason to leave home.

2 people a day can visit you at your home.

Rules for groups of people:

Gatherings

There can be 10 people:

- in a group outside
- in a public place

This means you and 9 other people.

If you live in Victoria you must wear a mask over your mouth and nose every time you leave your house.

Other rules that have changed:

Cafés, pubs and restaurants

You can go with 9 other people.

40 people can sit inside. 70 people can sit outside.

Sport and Recreation

You can do outdoor group sports and exercise if you can keep 1.5 metres away from other people.

Public playgrounds, gyms, skateparks and swimming pools are open.

Shops

Beauty, tanning, waxing, tattoo and nail shops, spas, markets, clothes, shoes and other shops are open.

Holidays

You can go on holiday in Victoria.

You can go on holiday with people you live with and 2 adults from another house.

Ceremonies

20 people can be at a faith group, like Church, inside. 50 people can be at a faith group outside.

10 people can be at a wedding.

Funerals

20 people can go to funerals but the room must be big enough so people can stay 1.5 meters away from each other. 50 people can be at a funeral outside.

You might be asked for your name and number when you visit these places to keep you and other people safe.

How else you can stay safe...

- Keep 1.5 meters away from people you don't live with, like when waiting in line or walking through busy areas
- Don't shake hands, hug or kiss people you don't live with
- If you feel sick, stay home
- If you think you might have Coronavirus, get tested
