

Coronavirus (Covid-19) December 2020

Victoria COVID Safe Summer

Coronavirus (or COVID-19) is a new virus like the flu or a very bad cold.

Lots of people all over the world are getting Coronavirus.

It can make people very sick and some people who get Coronavirus might die.

You can get Coronavirus:

- from someone who has got it
- if you touch something they have touched.

How you can stay safe...

**Wash your hands
with soap and
water**

**Keep your
distance from
other people**

**Cover your mouth
when you
cough or sneeze**

The Government says...

The Victorian Government has made rules to help keep people safe and to **stop** them from getting Coronavirus.

Rules for your home:

You can leave your home any time.

You don't need a reason to leave home.

30 people a day can visit you at your home.

Rules for groups of people:

Gatherings

There can be 100 people:

- in a group outside
- in a public place

Venues

Everything is open, but there must be room for people to keep 1.5 metres away from other people

Rules for Masks:

If you live in Victoria you must have a mask with you every time you leave your house.

You must wear a mask:

Inside a shopping centre.

Inside shops in a shopping centre.

Inside Supermarkets.

Inside electronic stores, like JB Hi-Fi.

Inside furniture stores, like IKEA.

Inside hardware stores, like Bunnings.

Inside Department stores, like Myers, Kmart or Target.

When you are on public transport.

When you are in a taxi or Uber.

You might be asked for your name and number when you visit these places to keep you and other people safe.

This might be with a QR Code, which you can use with your mobile phone.

How else you can stay safe...

- Keep 1.5 meters away from people you don't live with, like when waiting in line or walking through busy areas
- Don't shake hands, hug or kiss people you don't live with
- If you feel sick, stay home
- If you think you might have Coronavirus, get tested
