

# Making the most of your NDIS funding

## Online course for families

Do you know your rights with service providers and with the NDIA? Are you prepared for your next plan review? This online course will help you feel in control of your NDIS plan and make the most of your funding. The course is delivered by trainers with life experience in managing NDIS plans for family members.

### Course structure

This online course is delivered via Zoom over four sessions, with both day and night sessions available (day sessions - 9:45am to 1pm, night sessions - 5:45pm to 9pm).

<b>Session one</b>	How the NDIS processes work, including recent changes
<b>Session two</b>	Getting effective support from your NDIS package
<b>Session three</b>	Developing a plan for the future
<b>Session four</b>	How to manage plan supports and funding

### Course Cost

This course is conducted on a fee for service basis (cost \$400) and can be purchased using the 'caring training' item in your family member's NDIS Plan. A hard copy course folder is provided.
