

Community Visitors

Quality, Dignity & Respect in your home.

Community Visitors visit your home to talk to you about how you are treated in your home.

Decision making and Choice

Community Visitors will talk to you about the things you do and the choices you make in your home.

Participation and Inclusion

Community Visitors will talk to you about the things you do in the community.

Freedom from Abuse and Neglect

To look at and ask you about how safe you feel in your home.

It's OK to Complain

If you have a problem, they will listen to you and make sure something is done to make things better.

Are you
being
treated
fairly?

You can talk to a
Community Visitor.
They can help you.
